

## **EZYBUILD® Smart Steel Solution lays a strong foundation for World's Largest Tribal Institution**

*Kalinga Institute of Social Science Library; donated by Tata Steel is built on trust and quality by Tata BlueScope Steel's Lite PEB solution business Ezybuild®*

One of world's largest tribal educational establishment, Kalinga Institute of Social Science's Library donated by Tata Steel, was inaugurated by the Hon'ble Chief Minister of Odisha, Mr. Naveen Patnaik on 2<sup>nd</sup> September. The 150 seater library is a Prefabricated Engineering Steel Building constructed by using high strength steel structures from Ezybuild® Solutions. From an optimised design layout to its build, EZYBUILD®'s light framing systems are made from high quality ZINCALUME® Steel.

The library is indeed yet another testimony of Tata Steel's commitment to partner and facilitate education initiatives in Odisha and Tata BlueScope Steel has been instrumental in constructing an edifice that resonates this commitment.

EZYBUILD® are a set of light gauge customised buildings or purpose built structures that offer better design, aesthetics and comfort. Its long spanning capabilities with design flexibility ensures more than sufficient space utilisation, expansion and relocation. EZYBUILD® Solutions come with high strength steel roof and wall cladding LYSAGHT® profiles; made of COLORBOND® Steel. This roofing material is backed by THERMATECH™ Technology that ensures high reflectivity with cooler comforts for peaceful working environments. A perfect solution for schools, colleges, institutions, residential, commercials spaces, utility rooms, sports auditorium, cafeterias, libraries etc.

Speaking on this occasion Mr. Ajay Rattan, GM - Sales, Construction & Engineering said, "Constructing a structure for an institution like Kalinga is a matter of pride, especially for social cause offered by Tata Steel. Trust and Quality is at the foundation of our solutions apart from driving a positive change within the society through our solutions. We have been actively implementing projects for social and welfare infrastructure development. Restoring hygiene by supporting Swach Bharat Abhiyaan, we have installed more than 2500 Public Washrooms across India. Today, more than 1000 Anganwadi schools have our roofing solution. Water ATMS, garbage compactors, dormitories, ashrams etc. are few of our offerings to help improve life around us."

### **About EZYBUILD®**

EZYBUILD® Solutions are a set of light-gauge structural buildings for industrial, commercial, residential and institutional applications. These ready to install solutions are quick alternatives to conventional buildings and are offered through a dedicated network of authorised EZYBUILD® solutions providers. Solutions come under PEB-Lite® Solution, SMARTBUILD® & SMARTRUSS system and Light Structural Members.
