

Mr. Anoop Kumar Trivedi joins Tata BlueScope Steel as Managing Director

Mr. Anoop Kumar Trivedi joined us as Managing Director, Tata BlueScope Steel effective 1st January 2022. He takes over from Mr. Riten Choudhury who superannuated from the company on 31st December 2021 after a very successful leadership stint with the company. Prior to joining Tata BlueScope Steel, Mr. Anoop Kumar Trivedi was the Executive Plant Head for M/s Tata Steel BSL Limited, Sahibabad, now a part of Tata Steel Limited.

Mr. Trivedi played an instrumental role in the merger between Tata Steel Ltd and Bhushan Steel Ltd where-in he displayed stellar performance as a catalyst, enabler and leader; through 'One Team' initiative for a smooth transition.

Mr. Trivedi brings with him rich and diversified experience spanning over twenty-five years within the steel industry; including manufacturing, erection, commissioning of mills; working closely with technology teams for developing innovative products and solutions for steel consumers across the globe and leading business turnaround projects.

A technically sound metallurgist, Mr. Trivedi is an alumnus of Indian Institute of Technology, BHU. Apart from being a thorough technocrat, Mr. Trivedi is passionate about CSR, Employee Engagement, Health Safety & Environment, Sustainability and has led several initiatives in these areas for upliftment & upskilling of communities.
