

Riten Choudhury, Managing Director Tata BlueScope Steel receives
The CEO of the Year 2021 Award

06th April 2021, Pune

Managing Director of Tata BlueScope Steel was honoured with the '**CEO of the Year 2021**' award at the 19th Global Edition of World Leadership Congress. This platform serves as a recognition of effective leadership within organisations, driving successful businesses.

'Leaders help transform vision into reality' – this axiom is an apt summary for Mr. Choudhury's leadership and business acumen. He has been instrumental in steering the company's performance with agility and resilience for a profitable growth. The company over the years under Mr. Choudhury's guidance has registered remarkable achievements not only in the marketplace and financial performance but also in delivering value to customers, shareholders and community. The award is a reiteration of all his efforts.

On receiving the award, Mr. Choudhury said, "I accept this award with great humility on behalf of the entire Tata BlueScope Steel family. In these challenging and transformational times, our team has demonstrated exemplary passion and dedication. Such a recognition is a tribute to their ingenuity, teamwork and commitment for excellence."

Tata BlueScope Steel is a future driven company that believes in delivering advanced technologies in colour coated steel through sustainable, world class products and solutions for the construction fraternity. With its presence in almost all progressive segments - infra, manufacturing, commercial, residential and across geographical locations, this award is a result of company's commitment for quality and innovation.
