LYSAGHT®

LYSAGHT® Advantage

Quality, Innovation & Customer Focus

LYSAGHT® from Tata BlueScope Steel manufactures and supplies roll-formed roof and wall-cladding solutions, structural products, purlins and solar mounting structures especially for the critical requirements of B2B sector.

Over the years LYSAGHT® has been associated with high quality products, innovative designs and a strong customer focus. LYSAGHT® range of premium building products are manufactured from high-quality steel; COLORBOND® steel and ZINCALUME® steel. The brand's product superiority is well

complemented by Tata BlueScope Steel's manufacturing expertise that enables customised solutions for various applications. Withstanding the test of time, LYSAGHT® has set exemplary benchmarks for flexibility in design, catering to diverse architectural requirements.

Today LYSAGHT® brand is synonym for quality; setting exemplary benchmarks within the construction ecosystem through progressive segments such as Infrastructure, Manufacturing, Warehousing and Commercial.
